

WHAT GOD WISHED I KNEW

What God wants me to know and live now.

1. God has me.

Psalm 9:9-10, Deuteronomy 31:8, Hebrews 13:5.

God has me and you. No need to doubt, fear, worry, or try to control anything or anyone in our lives.

2. God is always working.

John 5:17

God is always at work in our lives. He never takes a vacation from us. He is working in the process of my life and my family's lives and yours as well.

3. You have not missed anything.

God will give me what I need when I need it. God will get us where He has us going. We only need to listen and cooperate. He will communicate with us in a way we can hear. Below are a few examples of God assuring and guiding people in His plan for them.

- **Abraham** — *Genesis 12:1*

God tells Abraham to leave and that He will show him where later.

- **Hagar** — *Genesis 16*

Assured Hagar that He saw her and her unborn child and had a plan for them.

- **Moses** — *Exodus 3-4*

God assured Moses that He would be with him, giving him the words to say and power to perform the signs to show Pharaoh that he was God's representative.

- **Paul** — *Acts 16:6-10*

Twice Paul's travel plans were stopped by the Holy Spirit. Then in a dream God made it clear to Paul which direction He wanted him to go.

4. I am not holding out on you.

Again one of my personal struggles. Often God reminds me of *Psalm 84:11*,

"No good thing does He withhold from those who walk uprightly."

If something is good for me I will have it now. If I don't have something, it's because it's not good for me now.

5. I have given you all you need. Lean in. Listen. It will come as you need it. As you do the next thing the next thing will come.

2 Peter 1:3,

"His divine power has granted to us all things that pertain to life and godliness, through the knowledge of Him who called us to His own glory and excellence."

Psalms 119:105,

"Your word is a lamp to my feet and a light for my path."

6. Enjoy today.

Ecclesiastes 3:12-13,

"So I concluded that there is nothing better for people than to be happy and to enjoy themselves as long as they live, and also that everyone should eat and drink, and find enjoyment in all his toil, for these things are a gift from God."

Life is a gift from God. Enjoy His gifts and blessings.

Be assured and encouraged that whatever you are going through God is in control and with you. He will give you what you need when you need it. And you can rest in that.
